

12v 220v inverter with water pump inverter

12v 220v inverter with water pump inverter

What inverter size would run this well pump? Please check my ...

However with this being a 1/2hp pump you should be able to power it with a 2000w inverter if the voltage is correct. I power my 1/2hp 120vAC water pump with my 3000w ...
