

# **40mw energy storage power station**

## Overview

---

Where is Hungary's largest battery energy storage system located?

Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in Százhalombatta, located close to Budapest. The new facility boasts a total power output of 40 MW and a storage capacity of 80 MWh.

Does Wärtsilä offer advanced energy storage solutions?

The technology group Wärtsilä has again demonstrated its capabilities in advanced energy storage solutions with the award of a contract to supply an engineered equipment delivery (EEQ) of a 40 MW / 80 MWh DC-coupled solar plus storage system to the Hickory Park Solar project in Georgia, USA.

Where is Smt energy located?

SMT Energy has energized its first standalone battery energy storage system (BESS) within the City of Dallas, marking a significant milestone for urban energy infrastructure in Texas. The new project, named SMT Dallas, features a 10 MW / 15 MWh capacity and is strategically located in Oncor Electric Delivery Company's.
