

Are all the communication base stations in Saint Kitts and Nevis 5G

Overview

Saint Kitts and Nevis is a member of the (NANP), whose assigned is . When dialing from a telephone in Saint Kitts and Nevis, telephone users can dial the local seven digit number. When calling a telephone number in the United States, Canada or any other NANP member country from Saint Kitts and Nevis, the user would dial 1 + area code + phone number.

Is 5G NR available in Saint Kitts & Nevis?

5G NR is not available in Saint Kitts & Nevis as of 2022, and the Saint Kittitian and Nevisian government has not made any indications of when it will auction 5G licenses. If you want to buy the best SIM card in Saint Kitts & Nevis, I recommend going with Digicel. Its 4G/LTE coverage is better than Flow's.

Does Saint Kitts & Nevis have 4G?

Saint Kitts and Nevis use a mix of American frequencies and European frequencies for 2G and 3G, depending on the mobile operator. 4G/LTE is exclusively on American frequencies.

Does Saint Kitts and Nevis have a satellite phone system?

Saint Kitts and Nevis do not have a country-specific satellite phone system. Most satellite phones operate on their country code – calls to these satellite phones follow their own call sequence. Use the same call sequence. There is no trunk prefix (1) or area code (869) used when calling within Saint Kitts and Nevis.

Does Digicel Saint Kitts & Nevis support 4G/LTE?

If you purchased your phone in Africa, Asia, Europe, or Oceania (ITU Regions 1 & 3) and have a low/medium-end device (without Tri-Band or Quad-Band) support, you want to go with Digicel Saint Kitts and Nevis. It supports traditional European frequencies on 2G and 3G, but you will not be able to use its 4G/LTE network.

How do I dial a phone number in Saint Kitts and Nevis?

When dialing from a telephone in Saint Kitts and Nevis, telephone users can dial the local seven digit number. When calling a telephone number in the United States, Canada or any other NANP member country from Saint Kitts and Nevis, the user would dial 1 + area code + phone number.

Can I buy a SIM card in Saint Kitts & Nevis?

You can buy a Saint Kittitian and Nevisian SIM card from Digicel and Flow as a tourist. There is nothing preventing travelers from buying a SIM card in Saint Kitts & Nevis. You do have to comply with the SIM card registration regulations. Find out which countries have SIM card registration regulations and what is required from you (lookup tool)
