

Argentina Telecommunications Base Station Company

Overview

Telecom Argentina S.A. is the major local telephone company for the northern part of Argentina, including the whole of the city of Buenos Aires. Briefly known as Sociedad Licenciataria Norte S.A., it quickly changed its name, and is usually known as simply "Telecom" within Argentina. Together with Telefónica.

In 1990, Argentina started to most of its : power, water, trains, and telecommunications, just to name a few. The monopoly of state-owned phone service .

Critics of Telecom argue that, when it received government subsidies to provide service in remote areas, it either didn't provide the service.

"Telecom Personal", owned by Telecom Argentina, is one of only 3 mobile phone companies in Argentina. Personal used a similar logo to Telecom itself until November 2011, when they switched into a new handwritten logo combined with nine brand colors.

As of 2019, current approximate ownership of Telecom Argentina is: • 31.53% Fintech Telecom LLC • 18.75%.
