

Azerbaijan base station energy storage power supply bidding

Overview

Will Azerbaijan deploy a battery energy storage system?

Signing of documents in Baku, Azerbaijan. Image: Republic of Azerbaijan, Ministry of Energy. Power plant developer ACWA Power and the government of Azerbaijan have signed an agreement to potentially deploy a battery energy storage system (BESS) in the central Asian country.

Is Azerbaijan embracing green energy?

In a significant move towards embracing green energy, Azerbaijan's leading energy company, Azerenerji JSC, has announced a tender for the creation of a 250 MW Battery Energy Storage System (BESS) in Azerbaijan.

How much energy does Azerbaijan need?

Interested companies have, until 10:00 AM on August 30, 2024, to submit their proposals, with the tender procedure set to take place later the same day. The Ministry of Energy estimates that to successfully integrate 2 GW of "green" energy, Azerbaijan requires a storage capacity of 250 MW.
