

Bhutan s latest energy storage photovoltaic companies

Overview

Will Reliance Power build the largest solar power plant in Bhutan?

Reliance Power on Monday announced that it has signed an agreement with Green Digital Private Limited, a company owned by Bhutan's government, to help build the country's largest solar power plant. The project will generate 500 megawatts (MW) of electricity and marks a major step in boosting clean energy in the region.

Will Reliance Enterprises develop a 500 MW solar power project in Bhutan?

In October 2024, Reliance Enterprises, jointly promoted by Reliance Power and Reliance Infrastructure, initiated a strategic partnership with DHI to develop solar and hydropower projects in Bhutan. As part of the agreement, the firms will jointly develop a 500 MW solar power project.

How will Reliance Group support Bhutan's net-zero goals?

Reliance Group will collaborate with government-owned companies in Bhutan to implement infrastructure projects that support Bhutan's net-zero goals. Reliance Group has established a new flagship company, Reliance Enterprises, to promote investment in Bhutan's renewable and green energy sector.
