

Can I bring an outdoor power bank to Somalia

Overview

Can you put a power bank in a bag?

Avoid using a power bank inside a bag as it can overheat. Power banks are treated the same way by most airlines because the rules come from safety bodies like IATA (International Air Transport Association) and the FAA (Federal Aviation Administration). The good news is that the important points are pretty straightforward.

Are power banks safe?

Power banks are treated the same way by most airlines because the rules come from safety bodies like IATA (International Air Transport Association) and the FAA (Federal Aviation Administration). The good news is that the important points are pretty straightforward. You must keep power banks in your carry-on cabin bag.

Can I use a power bank on a plane?

Recharging devices on board is not permitted. Up to 20 batteries under 100 Wh allowed without approval. 101 to 160 Wh allowed with airline approval. Use of power banks during flight is prohibited. Up to 10 spare batteries or power banks under 100 Wh allowed. 101 to 160 Wh up to two are permitted. Over 160 Wh prohibited.

Which airlines require power banks to be visible?

European & Asian Carriers (e.g., Lufthansa, ANA, Emirates): May require visible labeling or documentation of battery capacity. Southwest Airlines (effective May 2025): Requires power banks to be stored visibly, not in overhead compartments.

How many power banks can I use without approval?

Up to twenty power banks under 100 Wh allowed without approval. Two units 100 to 160 Wh require airline approval. Over 160 Wh not accepted. No in-

flight use limits listed. Under 100 Wh allowed without approval. Two units 101 to 160 Wh require airline approval. Over 160 Wh prohibited. No in-flight use limits listed.

What should you not do with a power bank?

Avoid exposing your power bank to extreme heat or cold (like leaving it in a car), as this can shorten its lifespan or damage it. Don't buy a dodgy or unknown brand power bank. Don't use a power bank that's cracked or starting to swell. Avoid using a power bank inside a bag as it can overheat.
