

# **Can you buy outdoor power supplies in Angola**

## Overview

---

Are there electrical outlets in Angola?

No, the electrical outlets in Angola are different from those in the United States. In Angola electrical outlets of type C are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Angola?

The electrical outlets and power plugs in Angola are of type C (see images).

Do I need a power plug adapter in Angola?

You'll need a power plug adapter. Type C - The standard European plug. Commonly used in Europe, South-America and Asia, but also in quite a few other countries. Plugs of type E and F will also fit in a type C outlet. Angola only has one type of power plug; the ungrounded European style type C (Europlug).

Can I use a charger in Angola?

Chargers for iPhones, Android phones and other smartphones or cell phones are usually dual voltage, so you can use them all over the world. However, it is possible you'll need an adapter to plug the charger into a Angola outlet. Angola uses electrical outlets and power plugs of type C (see images).

What type of plugs are used in Angola?

In Angola, there are two main types of power plugs and outlets: Type C and Type F. Type C: Type C plugs have two round prongs on either side of the plug, commonly known as Euro plugs. Mostly used in Europe, South America, and Africa. Type C outlets can be fit with either Type E or Type F plugs.

Do I need a travel adapter in Angola?

If you're not sure whether the outlets and plugs used in your country are the same as in Angola, you can use the tool at the top of this page to check if you need a travel adapter. All power sockets in Angola provide a standard voltage

of 220V with a standard frequency of 50Hz.

Which plugs fit in a Type C outlet in Angola?

Plugs of type E and F will also fit in a type C outlet. Angola only has one type of power plug; the ungrounded European style type C (Europlug). If you're not sure whether the outlets and plugs used in your country are the same as in Angola, you can use the tool at the top of this page to check if you need a travel adapter.
