

Colombian solar energy storage project

Overview

Did Canadian Solar win the first Pure Storage tender in Colombia?

Dr. Shawn Qu, Chairman and CEO of Canadian Solar, commented, "We are very proud to have won this project in the first pure storage tender in Colombia. This is also our first energy storage project in the country and the Latin America region.

How did Colombia win a mining project?

The project was awarded in the public tender launched by Colombia's Ministry of Energy and Mines, via its affiliate UPME, the Mining and Energy Planning Unit.

Is Canadian Solar a bankable company?

Additionally, Canadian Solar has 1.2 GWh of battery storage projects under construction, and nearly 17 GWh of battery storage projects in backlog or pipeline. Canadian Solar is one of the most bankable companies in the solar and renewable energy industry, having been publicly listed on the NASDAQ since 2006.
