

Construction scale of 100MW energy storage power station

Overview

The proposed new construction has a total scale of 100MW/200MWh lithium-ion energy storage power station, which is planned to be put into operation in the fourth quarter of 2024.

Construction scale of 100MW energy storage power station

[Jinjiang 100 MWh energy storage power station ...](#)

Introduction The Fujian Jinjiang 100 MWh-level energy storage power station pilot demonstration project is in Anhui town of Jinjiang, the center for the power ...
