

A black rectangular LiFePO4 battery with a handle and terminals. The battery is shown from a three-quarter perspective, highlighting its sturdy construction and the integrated handle on the right side. The top surface features two terminals: a red one on the left and a black one on the right. The front face of the battery is labeled with technical specifications and safety information. The label includes the model number '12-4V200Ah', the chemistry 'LiFePO4', and the capacity '200Ah'. It also mentions 'Endurance: 2000 cycles' and 'Long Life Cycle'. Safety symbols like CE, a recycling symbol, and a crossed-out fire symbol are visible at the bottom of the label.
