

Estonia invests in energy storage equipment

Overview

Where is Estonia's largest battery storage facility located?

The flagship battery storage project commenced operations on February 1, only days before cutting ties with the Russian power grid. Estonian state-owned energy company Eesti Energia has inaugurated the nation's largest battery energy storage facility at the Auvere industrial complex in Ida-Viru County.

How will a battery energy storage park work in Estonia?

The battery energy storage park and its substation will be connected to the electricity transmission network using a 330kV AC underground cable, marking a first in Estonia. Baltic Storage Platform confirmed that the BESS will seek to ensure the stability and resilience of the Estonian electricity grid.

Who sells electricity in Estonia?

In Estonia's electricity market, Eesti Energia is the largest seller with a 60% market share and owns the largest distribution network, representing 86% of the distribution market. The Estonian Competition Authority (ECA) regulates transmission and distribution rates, as well as connection charges. Electricity in 2020:.

How can I invest in a business in Estonia?

To invest in a business in Estonia as a sole proprietor, you must first invest at least €16,000 in another Estonian business, and then you can apply for a general investment visa. If you are a freelancer or self-employed person, this applies to you as well.

How much energy does Estonia use?

Estonia's all-time peak consumption is 1591 MW (in 2021). In 2021 the electricity generated from renewable energy sources was 29.3 %, being 38% of the share of renewable energy in gross final energy consumption. Oil-based

fuels, including oil shale and fuel oils, accounted for about 80% of domestic production in 2016.

Is there a residence by investment program in Estonia?

Yes, there is an Estonian Residence-by-Investment (RBI) program that grants you a residence permit in Estonia as an investor. This program leads to Estonian citizenship through naturalization. The Estonian passport is quite strong.
