

Gambia Solar Energy Storage Project

Overview

Gambiaj.com - (BANJUL, The Gambia) - The Gambia's National Water and Electricity Company (NAWEC), in collaboration with the World Bank, has officially launched the bidding process for a landmark 50-megawatt solar power and energy storage project aimed at transforming the country's electricity landscape.

Gambia Solar Energy Storage Project

The Gambia issues tender for 50MW solar project plus energy storage

Gambian utility Nawec and the country's Ministry of Petroleum and Energy is seeking proposals for a first phase 50 MW solar project with energy storage located in Soma.
