

Greek small photovoltaic panel manufacturer

Overview

What is a photovoltaic company?

The object of the company is the marketing, storage and promotion of photovoltaic equipment for the construction and installation of Photovoltaic Parks and domestic Photovoltaic installations of any size. We take advantage of the power of the sun in the most effective way!.

Who is wpd solar Hellas?

wpd Solar Hellas develops, finances, invests and operates photovoltaic projects. Utilizing the group's vast experience within the renewable energy industry over the past two decades, we support PV projects across all phases to ensure that targets are met, and profitability is guaranteed.

Why do you need a photovoltaic panel system?

We help to accelerate the transition to clean energy by providing high-quality photovoltaic panel systems. Our vision is to be the go-to provider of sustainable energy solutions for customers seeking to reduce their environmental impact and increase their energy efficiency.

What is a walkable photovoltaic tile?

Floor® is a walkable photovoltaic tile which, thanks to a new technology patented by Invent, allows the installation of photovoltaic technology on floors. Thanks to this, the surface dedicated to the production of green energy expands and embraces previously unexplored places.
