

Heishan Photovoltaic Panel Sun Room Manufacturer

Overview

Who is talesun solar?

Company Background: Talesun Solar, a subsidiary of Zhongli Group, was founded in 2010. The company has grown to become one of China's leading solar manufacturers and is ranked as a Tier 1 supplier globally.

What type of solar panels does talesun offer?

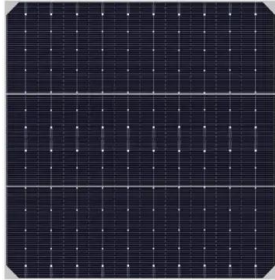

Talesun offers a variety of solar modules, including monocrystalline and bifacial PERC technologies, designed for residential, commercial, and utility-scale applications. The company is known for its high-efficiency panels, especially those with advanced cell technology like 9-busbar (9BB) and bifacial capabilities.

Why is Shenzhen a good place to invest in solar?

The city is home to major companies like Growatt and Sofar Solar, which are driving growth in solar tech and production with cutting-edge products and modern factories. Shenzhen's solar manufacturing capacity is expanding rapidly, supported by investments in renewable energy.
