Overview

What is an outdoor integrated cabinet?

Outdoor integrated cabinet is well suited for power equipment, batteries, telecom gear, all integrated into a robust, economical package. The cabinet contains internal mounting rails, which allow installation of standard 19" equipment. Support custom-made.

What is a battery cabinet?

Equipped with the HindleHealth System, the Battery Cabinet will keep your battery at the ideal temperature in the most extreme of environments, giving you peace mind. HindlePower's Outdoor Battery Cabinet takes a proactive approach to hydrogen mitigation.

What is an outdoor Battery Cabinet?

HindlePower's Outdoor Battery Cabinet is constructed of extremely durable injected foam panels that achieve a level of thermal performance not previously seen in traditional battery cabinets. Feel confident your batteries will maintain 65°F for outdoor ambient temperatures down to -40°F and 77°F for outdoor ambient temperatures to 122°F.

How does hindlepower's outdoor battery cabinet work?

HindlePower's Outdoor Battery Cabinet takes a proactive approach to hydrogen mitigation. Rather than using a monitor to alarm when the amount of hydrogen exceeds the lower explosive limit, the Cabinet purges the air based on battery Ah capacity and technology based on the guidelines set forth in IEEE 1635.
