

# **Huawei Congo Kinshasa Energy Storage Project**

## Overview

---

Why is China building a data center in Congo?

While thanking the Chinese government and the Export-Import Bank of China, Congolese Minister of Finance Nicolas Kazadi said this data center will promote modernization, good governance, and the anti-corruption campaign in the country.

Did Huawei meet DR Congo Prime Minister Jean-Michel Sama lukonde?

Executives from Chinese telecom giant Huawei met recently in Kinshasa with DR Congo Prime Minister Jean-Michel Sama Lukonde. Get a daily email packed with the latest China-Africa news and analysis. Read exclusive insights on the key trends shaping China-Africa relations.

How would a data center help the Congolese economy?

The data center, financed by the Export-Import Bank of China, would allow the Congolese authorities to centralize, merge, secure, and store information on financial management activities, which would further contribute to national innovation and economic growth. ■
