

Hungarian mobile energy storage system project

Overview

The new 40 MW / 80 MWh system, installed at the Dunamenti gas power plant near Budapest, is the biggest of its kind in the country and part of a broader European push to shore up renewable power with large-scale battery backup.

Hungarian mobile energy storage system project

[Hungary's Largest Battery Storage System Inaugurated in ...](#)

Hungary's largest standalone battery energy storage system has been inaugurated in Százhalombatta. With a 40 MW output and 80 MWh capacity, the new unit by MET Group ...

[Product Information](#)

[What are the energy storage projects in hungary](#)

European Commission has approved a EUR1.1 billion worth Hungarian scheme to support the installation of at least 800 MW/ 1600 MWh of energy storage facilities to foster the country's ...
