What is the manufacturing industry in Togo?

The manufacturing industry in Togo contributes for about 6 to 8% of the country's economy. The major manufacturing sectors include processing of agricultural products such as cotton, weaving and ginning, coffee roasting, extraction of palm oil, and manufacture of textiles. The industry accounts for a small portion of the economy.

Where does Togo import goods?

Togo imports mainly from France, Germany, the Netherlands, Lebanon, and China (approximately 60 percent of the imports). One-third of these imports are consumer goods, with foodstuffs and beverages being a significant portion.
