

Middle East Energy Storage Power Station Project

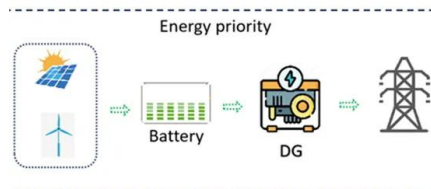

Overview

Developed by Norwegian renewables company Scatec ASA, in partnership with Egypt's national grid operator, Egyptian Electricity Transmission Company (EETC), the project combines 1GW of solar power with 100MW/200MWh of lithium-ion battery storage.

Middle East Energy Storage Power Station Project

Middle East's Largest Energy Storage Project: Powering the ...

That's the scale of the Middle East's largest energy storage project, currently under construction in the UAE. Designed to tackle the region's infamous "sun-soaked but storage ...
