

Mongolia Group Energy Storage Project

Mongolia Group Energy Storage Project

Introduction of Mongolia's First Utility-Scale Energy Storage Project

The First Utility-Scale Energy Storage Project aims to install a large-scale advanced battery energy storage system (BESS) in Mongolia's Central Energy System (CES) ...

[Product Information](#)

[Mongolia : First Utility-Scale Energy Storage Project](#)

The project is aligned with the government medium and long term renewable energy target:
(i) 100 MW of power storage installed to the CES to increase renewable energy power generation ...
