

New Zealand rechargeable battery cabinet custom factory

Overview

How many lithium ion batteries can a storemasta Battery Cabinet charge?

A Storemasta lithium-ion battery cabinet can simultaneously charge multiple workplace batteries in a safe and protected environment. Storemasta offers an 8 and 18 outlet model of battery cabinet, which allows the user to charge up to 8 or 18 li-ion batteries – depending on the chosen model.

What is a lithium ion battery storage cabinet?

This 83L Single Door Lithium Ion Battery Storage Cabinet is designed for safe, smart Li-Ion battery charging, featuring a smart cooling system, double steel walls, four adjustable shelves with 20 plug sockets, and advanced safety features compliant with FM6050, OSHA, and NFPA standards.

What is a lithium ion battery charging cabinet?

Lithium-ion battery charging cabinets are designed for both the charging and the storage of li-ion cells. Therefore, whatever charge your battery is on, you can store it in the cabinet until it is required by your staff.

Why should you choose hazero battery storage cabinets?

At Hazero, we specialise in keeping Kiwis safer at work, and Lithium-ion battery storage has been high on our agenda. Our range of NZ designed and assembled storage cabinets are designed to protect your workplace and minimise the risk of faulty lithium-ion batteries igniting and causing serious damage to premises, equipment and people!.

How can hazero protect your business from lithium-ion battery fires?

Protect your business from lithium-ion battery fires with Hazero's NZ-designed safety cabinets. Fire-resistant, lockable, and customisable for charging and safe storage.

What are hazero lithium-ion safety cabinets?

Hazero Lithium-ion Safety Cabinets help keep batteries isolated and safe - providing time to clear the building and call 111 before lives are at serious risk, if the worst happens. 1. Double-Walled Steel Construction - Slows heat transfer, containing flames. 2. Self-Closing, Lockable Doors - Seals risks inside, keeping staff safe. 3.
