

Nigeria Solar Pump Inverter Project

Overview

Where to buy inverter & solar batteries in Nigeria?

Buy Inverter & Solar batteries online in Nigeria at Battery.com.ng. We offer a large selection of durable and reliable Inverter/Solar batteries at the best prices from the best brands such as Amaron Quanta, Luminous, Genus, Exulted, etc. We offer a 1-year warranty on all our batteries, as well as free delivery in Lagos and Abuja, within 24 hours.

Can I add solar to my inverter?

If you already have an inverter, we can install just the solar part to supplement charging your inverter from PHCN. Instantly see how much it would cost to add solar to existing inverter setup with our solar-only cost estimator. Battery replacement, top-off (for flooded batteries), desulphation (can improve the life of old batteries), equalization.

Can I install an inverter without solar?

If your PHCN supply is decent, we can install just an inverter without solar. This will provide uninterrupted power for the hours when PHCN is unavailable. This is also a cost-effective way to get started with solar without making the full investment at once. We can add-on solar when the time is right.

How do I get a cost estimate for a PHCN inverter?

Get an instant cost estimate from our cost-estimator or by emailing sales@solarkobo.com. We will work with you to find a solution that meets your needs and budget. **PARTIAL INSTALLATION SERVICES** If your PHCN supply is decent, we can install just an inverter without solar. This will provide uninterrupted power for the hours when PHCN is unavailable.

How long does it take to install a battery in Lagos?

We install within two business days in Lagos and 5 business days outside Lagos. Well-trained, in-house installers with Bachelor's degrees in Electrical

Engineering. High-quality and affordable components from top manufacturers including Yingli, Trina, LG, Outback, Schneider (Xantrex), US Battery, Ritar, Leoch, Full River, Su-Kam, Luminous.
