

North Korean lithium battery Battery Pack

Overview

Who is the largest lithium battery supply network in Korea?

Based on the experience of more than 10 years of lithium battery business centering on the CEO, we have built the largest battery supply network in Korea (including domestic products). Korea BTS Co., Ltd. is specialized in Lithium battery. We supply specialized batteries meeting the following conditions.

What makes Korea BTS a good battery supplier?

We have differentiated technology that is suitable for it. Based on the experience of more than 10 years of lithium battery business centering on the CEO, we have built the largest battery supply network in Korea (including domestic products). Korea BTS Co., Ltd. is specialized in Lithium battery.

Who is specialized in lithium battery?

Korea BTS Co., Ltd. is specialized in Lithium battery. We supply specialized batteries meeting the following conditions. Reliable, high performance battery supply is possible. Suitable for electric equipment, drones, defense batteries.
