

Norwegian lithium battery pack

Overview

Why should you choose Norsk lithium?

NORSK Lithium understands modern fishing electronics and works directly with the engineers who develop them. We use that input to design batteries for optimal performance on each platform while simultaneously balancing size, weight, and practical environmental requirements.

What is the Norsk lithium Guardian® app?

The Norsk Lithium Guardian® App provides a Bluetooth Connection to Norsk Lithium Batteries allowing you to connect to multiple batteries simultaneously, monitor their health and charging status, and receive real-time alerts to your phone. Providing you with complete confidence on and off the water. BATTERY STORAGE MADE EASY!.

Who uses Norsk lithium?

Bobby Lane, Bassmaster Elite Series winner and REDCREST Champion trusts his trolling motor power needs to Norsk Lithium. Jason Mitchell, Host of JMO TV, trusts his fishing season to Norsk Lithium's line of portable sonar batteries and heated lithium batteries for his boat.

Does Norway have a battery value-chain?

An integrated battery value-chain is critical to succeed in the global battery industry, and Norway is leading that race", says Morrow CEO Lars Christian Bacher.

What is a lithium battery management system (BMS)?

Equipped with an advanced Battery Management System (BMS), the 12.8V 15Ah lithium battery ensures optimal safety by protecting against overcharging, over-discharging, overheating, and short circuits.

Norwegian lithium battery pack

Morrow Batteries, Nordic Batteries and Eldrift join forces to build

Kongsberg-based Nordic Batteries will deliver state-of-the-art battery modules and packs of various sizes, battery management systems, and temperature control technology to Eldrift and ...
