

Original small portable mobile power bank

Overview

What is a mini power bank?

Despite their small footprint, mini power banks pack a punch in terms of charging capacity. They typically have a lower power capacity compared to larger power banks but are sufficient to provide one or two full charges to most smartphones, ensuring you stay connected when away from a power outlet.

Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our [Best MagSafe Power Banks](#) guide for Apple-specific portable chargers, and our [Best Portable Power Stations](#) guide if you need more power. Updated June 2025: We've added power banks from Redmagic and Statik, and added a new FAQ.

How to use a mini power bank safely?

Additionally, always use the provided charging cable or a certified one to charge the power bank, and avoid overcharging it to prevent overheating or short-circuiting. By following these simple safety measures, you can ensure the safe and effective use of your mini power bank.

Why should you buy a portable power bank?

A compact and lightweight power bank can easily fit in pockets, bags, or purses, allowing for effortless transportation wherever you go. Whether you're traveling, commuting, or simply running errands, having a portable power bank on hand ensures you can stay connected and powered up on the go.

Do small power banks have USB ports?

In general, small power banks come with one or two USB output ports, so think about how many devices you want to charge. While most small power banks come with the micro-USB cable required for charging them before you

head out, in most cases you'll need to supply the wall plug, as well as your device's charging cable.

Do you need a portable battery or power bank?

Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But there's an easy solution: a portable battery or power bank. They are available in many sizes and capacities and can include handy features like fast charging and multiple ports.
