

# **Outdoor power cabinet transparent**

## Overview

---

What is a transparent cabinet?

A transparent cabinet is a type of cabinet that allows you to have a wider illusion in your room, making it functional for those with small houses. It can be placed in any room, but is commonly installed in the kitchen to make finding kitchen utilities, herbs, or food stock easier.

What is a Longxing outdoor power cabinet?

LongXing outdoor power cabinet provides flexible size options, offers the ideal enclosure solution to build the whole base station inside.

How do I choose a good outdoor enclosure?

Look for a UL Listed rating to ensure the enclosure has been independently tested to meet its rating. Material: Choose an outdoor enclosure made from durable materials like aluminum or stainless steel, or non-metallic enclosures made from polycarbonate and/or fiberglass-reinforced polycarbonate.
