

Outdoor power supply head production

Overview

Who makes outdoor power equipment?

The U.S. market for outdoor power equipment is populated with several global and country manufacturers, leading to a high frequency of product launches. For instance, in February 2023, Ariens, a brand of AriensCo, launched the RAZOR walk-behind mower.

Why is outdoor power equipment so popular?

The current trends of remote and hybrid working models, as well as flexible working hours among businesses in the U.S., have ensured that people have more free time on their hands to indulge in gardening and landscaping, thus strengthening the U.S. market demand for outdoor power equipment.

What are the different types of outdoor power equipment?

There is a significant demand for different types of outdoor power equipment such as lawn mowers, chainsaws, and blowers among the U.S. population, due to which companies are increasingly focusing on launching advanced products in the market.
