

# Pack battery order

## Overview

---

What is a battery pack?

They may be configured in series, parallel or a mixture of both to deliver the desired voltage, capacity, or power density. Packs are identified by cell size, number of cells, battery structure, chemistry, chargeability, capacity, and voltage rating. Lithium-Ion Battery Products - Battery Packs are in stock at Digikey.

What is a custom battery pack?

Understanding custom battery packs is simple – they’re tailor-made to suit your specific needs. Unlike regular batteries, they’re designed to meet your unique power requirements. We customize battery packs based on voltage, capacity, size, shape, and even the type of cell. But why does this matter, you might ask?

.

Where can I buy a battery pack?

OnlyBatteries.com has the team to manufacture battery packs and custom battery packs for you. Contact us to share your needs and our experts will suggest to you the right chemistry types, right configurations, and even the best brands to meet your quality standards and budget.

Why should I Choose US for a custom battery pack?

WHY CHOOSE US?

There is a lot of specificity when it comes to custom battery packs. You need the exact pack that will fit in your device with the exact voltage and capacity with a specific connector, and we have exactly what you need. We have years of experience in the custom battery pack department, making packs of all kinds.

Can You custom make a battery pack?

We can custom make a battery pack that meets your necessary specifications.  
WHY CHOOSE US?

There is a lot of specificity when it comes to custom battery packs. You need the exact pack that will fit in your device with the exact voltage and capacity with a specific connector, and we have exactly what you need.

Do you need a spec sheet for a battery pack?

All we need is a spec sheet, engineers drawing or just a battery sample and we can recreate the same exact pack that you need with our quality certified cells. Safety is our number one priority when it comes to battery packs because they can be dangerous.
