

Slovenia cabinet-type energy storage system

Overview

The system was developed to meet the growing energy requirements of Slovenian enterprises. With its large 480kWh capacity, the C&I BESS ensures sufficient energy storage for high-demand operations, even during peak usage periods.

Slovenia cabinet-type energy storage system

Energy Storage Systems

Compact and light compared with traditional alternatives, these cutting-edge energy storage systems are ideal for applications with a high energy demand and variable load profiles, ...
