

Southeast Asia lithium battery inverter

Overview

What drives the Southeast Asia lithium-ion battery market landscape?

The consumer electronics and other applications segments continue to play vital roles in shaping the Southeast Asia lithium-ion battery market landscape. The consumer electronics segment is driven by the region's growing middle class, increasing smartphone penetration, and rising demand for portable battery electronic devices.

Why is Batam a good place to manufacture lithium ion batteries?

Batam has capitalized on its geographic advantage by developing state-of-the-art industrial parks focused on high-tech manufacturing and lithium ion battery pack manufacturers. Surabaya, as Indonesia's second-largest city, is fast becoming a crucial hub for lithium battery makers in the archipelago.

Why should you choose a sunny island battery inverter?

With the new generation, installers and PV system operators benefit from an even more user-friendly battery inverter. Thanks to its integrated user interface and standard WLAN and Ethernet interfaces, the Sunny Island can be immediately and easily configured and monitored via smartphones or tablets.

Southeast Asia lithium battery inverter

[?WELOVEROOM? Efficient 110V Lithium Battery Inverter](#)

Product name: Battery Inverter Power : 120W
Input Voltage : DC 18-21V
Output Voltage : 110V
Static Current : About 0.05A
Volatage Display : 5V - 30V
Protection : Overheat protection, ...

Product Model
HJ-ESS-215A(100KW/215KWH)
HJ-ESS-115A(50KW/115KWH)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled
