Where can I buy outdoor power equipment in Australia?

With over 15 years experience, thousands of online products and a skilled team of service technicians, Farm City is Australia's premier supplier of outdoor power equipment. This item is pickup only. This item is pickup only. This item is pickup only.

How do I contact outdoor power equipment & tools?

Our friendly sales team are highly knowledgeable and here to assist you. Give us a call on (02) 9826 1235, email us or send us a message via Facebook Messenger live-chat. We are a leading supplier of Outdoor Power Equipment & Tools in Western Sydney and a one-stop-shop for all the big-name brands.

What are the different types of power supplies?

Discover our diverse range of power supplies, tailored to meet the demands of both enthusiasts and professionals. Our selection features AC output, DC output, laboratory, LED power supplies, open frame DIN rail types, and switchmode power supplies. These items are vital for delivering dependable electrical energy to various applications.

Why should you buy a portable power station?

Whether you're camping off the grid, tailgating at a game, or working remotely in the great outdoors, our portable power stations provide reliable power to keep your devices and 12V appliances running smoothly. Choose from our selection of power inverters to convert DC power into AC power on the fly.

Why do you need a reliable power supply?

Superior components reduce the chances of malfunctions and extend the

lifespan of your devices. Using reliable power supplies ensures stable voltage and current, safeguarding sensitive electronics from potential damage. Our power supplies are crafted to meet stringent standards, offering peace of mind and reliable performance.

How do I choose a power supply?

When choosing a power supply, look for safety features such as overcurrent protection, short-circuit protection, and thermal shutdown. These features help prevent damage to the power supply and connected devices, reducing the risk of electrical hazards.
