

# Uganda photovoltaic energy storage power supply price

**Application scenarios of energy storage battery products**

## Overview

---

As of March 2025, solar panel prices in Uganda range from \$0.38/W to \$0.65/W for residential systems. For a typical 5kW home installation, you're looking at \$1,900-\$3,250 before tax credits. But wait – why such a wide price range?

Let's break it down:

## Uganda photovoltaic energy storage power supply price
